

academic varsity letter. I am confident that George will carry the lessons of his student leadership to the Air Force Academy.

Madam Speaker, I ask my colleagues to join me in congratulating George Roush V on his offer of appointment to the United States Air Force Academy. Our service academies offer the finest military training and education available. I am positive that George will excel during his career at the Air Force Academy, and I ask my colleagues to join me in extending their best wishes to him as he begins his service to our nation.

#### IN RECOGNITION OF THE 150TH ANNIVERSARY OF GLC MINERALS LLC

### HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 28, 2021*

Mr. GALLAGHER. Madam Speaker, I rise today to honor GLC Minerals LLC as they celebrate their 150th anniversary.

GLC Minerals is a Green Bay based, custom manufacturer of minerals and applications in its fifth generation of ownership and operation by the Hurlbut family. GLC Minerals services many of Wisconsin's key industries, including dairy, poultry, glass, paper, construction, and agronomy.

The company came from humble beginnings when entrepreneur Fred Hurlbut Sr. saw the potential for a business located in Green Bay. Fred saw the convenience in shipping and transportation that the Great Lakes offered businesses, and in 1871 Fred's foresight came to fruition as the Hurlbut Calcium and Chemical Company. In 1913, second-generation owner Fred Hurlbut Jr. grew the company to include major coal and bulk distribution throughout Northeast Wisconsin.

In 1940 The F. Hurlbut Company relocated to the shores of the Fox River where it still resides today, 81 years later. Throughout the mid-1900s the company expanded its equipment and product line leading to a fitting name change of the "Great Lakes Calcium Corporation."

In 2015 Wesley Hurlbut Gamer I, fifth-generation family member to own the company, made the final name change to GLC Minerals, LLC. However, this was not simply a name change. Wes continued in his forefather's footsteps and expanded the business again to serve our dairy industry with the cost-effective movement of product from rail to truck and farm.

GLC Minerals continues to grow and support our local business community and the broader Green Bay community, helping to establish and support the Greater Green Bay Chamber of Commerce.

Madam Speaker, I urge all members of this body to join me in applauding GLC Minerals and the Hurlbut family for their 150 years of success.

#### IN RECOGNITION OF ANTHONY "TONY" POLITO FOR HIS LIFETIME OF SERVICE TO THE ARCHBALD COMMUNITY AND YOUTH SPORTS

### HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 28, 2021*

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor Anthony "Tony" Polito, a lifelong resident of Archbald, Pennsylvania and champion of youth athletics. Tony will be recognized for his decades of service to his community with the dedication of the new Tony Polito Field House at the Archbald Community Sports Complex on Saturday, May 29, 2021.

Tony was born on May 27, 1932 to Theresa and James Vincent Polito, Italian immigrants who settled in Archbald. Tony went to Archbald High School where he stood out as a star athlete on both the baseball and football teams. He was an All-Star player on the baseball team from 1948 to 1950, and batting, left-handed, he was one of the league's leading hitters. When not leading off at the plate, he was the starting centerfielder. In 1949, he helped lead the team to a championship in the Northern Division of the Lackawanna Baseball League. He was a starting player on many of the top teams in the region such as the Eynon Indians, the Dutch Hill AC, and the Carbondale South Side Clippers. He also played American Legion Baseball for the Eynon Legion.

On the football field, he was a quarterback and halfback for the Archbald High School Rams. Prior to being sidelined with an injury, he was a top scorer in the conference, and as linebacker, he led the team in tackles. For his efforts on the field, he was named team captain and voted most athletic in his class.

After graduating with the Class of 1950, Tony answered the call of duty and joined the United States Army. During the Korean War, he served as a demolition expert. Following his military service, Tony spent his professional career as a production control specialist at Lockheed Martin's Archbald location before retiring after 40 years with the company.

As a former standout high school athlete, Tony sought to encourage young athletic talent in his community. For nearly four decades, he has been actively involved in youth athletics as a coach, mentor, and fan. He shared his extensive baseball knowledge and experience as the coach of a little league team, and he assisted with administrative tasks and field maintenance for the league. He has advised generations of players and coaches to help them reach their full potential in the sport. For his contributions, he has been recognized with a flagpole dedicated in his name at the Laurel Street complex and a banner on the fence of the Archbald Community Sports Complex field. In 2003, Tony was inducted into the Archbald Athletic Hall of Fame.

Tony was supported in his community efforts by his late wife, Lois Bishop Polito. Together they had four children, ten grandchildren, and four great-grandchildren.

I am honored to join Tony's family and community in recognizing his steadfast dedication to youth sports and the Archbald community. May future generations of athletes, coaches, mentors, and community leaders be inspired by Tony's lifetime of service.

ANN KNOLLMAN

### HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 28, 2021*

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and honor Ann Knollman (born Anna Veronica Materek) who passed away on April 15, 2021.

Ann was born on July 14, 1941 in Hoboken, New Jersey. She was raised in Hoboken and graduated from the College of Saint Elizabeth in Convent Station, New Jersey (now known as Saint Elizabeth University). After graduation, Ann taught elementary school at Wallace Elementary School in Hoboken. During that time she met Dieter Knollman, and they later married in 1969.

In 1971, Ann and Dieter moved to Arvada, Colorado, starting a whole new chapter of their lives. Once in Colorado, Ann quickly became entrenched in the community, starting to work for local causes and local Democrats. This work became more of a passion and she dedicated much of her life to advancing Democratic causes and electing Democrats at all levels of government.

In 1989, Ann became a Legislative Aide to former Representative and then later Senator Bill Theibaut. Her dedication and passion for Democratic politics only grew deeper.

At one point or another Ann held just about every Democratic party office in Jefferson County. This included Captain-at-large, Financial Chair of Congressional District 7, Chair of Jefferson County Democrats, Chair of State House District 29, Chair of Senate District 19, Chair of Jefferson County Rules Committee, Chair and Cofounder of the Dem Fems, and her longest role, CD7 Chair. Ann worked around the clock and was known for her tireless efforts knocking on doors to remind people to vote and played a critical role in helping elect candidates for the districts she chaired.

One of Ann's proudest achievements, and that of her family, was in 2006 when she received the prestigious "Eleanor Award." This award is presented to an individual who exhibited distinguished and honorable service to the community. The award is given in honor of Eleanor Roosevelt who believed that all people deserve fair and equitable treatment. She also believed it appropriate to challenge injustice and often, to do so, to stand up, speak out and create change. These may have been Eleanor Roosevelt's thoughts, but they also very much described Ann. Ann was also very honored and proud to be chosen as one of Colorado's Presidential Electors for three elections.

I would like to express my appreciation to Ann for her kindness, friendship, and support over the many years we worked together. To her family, she was and always will be our Auntie Anna.

Ann was predeceased by her husband, Dieter Knollman, her parents, Mary and Vincent Materek, her four brothers, Joseph, Vincent, Adam and Theodore Materek, her sister Helen Monaco, and her pups, Plato, Brandy, Daisy, and Shadow.

While our state has been blessed with capable leadership throughout its history, few rise to the caliber and reputation of Ann Knollman. I am deeply grateful for her lifetime of service to our community and send gratitude for her service to the Jefferson County community,
